

MEMORANDUM OF PARTNERSHIP

Københavns VUC and **Stroud College** agree to the establishment of an educational partnership for the mutual benefit of both schools.

The partnership will work to promote friendly relationships and educational programmes between both schools.

The partnership will seek and promote activities such as the following between the schools:

- Mutual exploration of ideas to promote innovation and reform in relevant areas of education.
- The cooperative development of resources to support the shared visions of the schools.
- Teacher visits and exchanges between the schools for professional learning programmes.
- The sharing of curriculum and pedagogical practices to improve the educational outcomes of students.
